

**LEHMANN&VOSS&CO KG DISTRIBUTES ORELIS ENVIRONNEMENT
MEMBRANES IN GERMANY!**

Lehmann&Voss&Co. KG and Orelis Environnement have signed a distribution agreement to jointly develop the market for ceramic membranes in Germany.

Lehmann&Voss&Co. KG supplies Kleansep™ filtration membranes and modules with the same specifications as Orelis Environnement.

Lehmann&Voss&Co. KG and Orelis Environnement remain at your disposal with their expertise, technical solutions and services in the field of membrane filtration.

For any questions and additional information requests from Germany, please contact Lehmann&Voss&Co :
